Quiz Assignment:
Monte-Carlo Integration, Bayesian, Resampling, Importance Sampling, Optimization
Yuting Du (yutingd3)
Group-9

Group members:

Yifan Sun (yifans8)
Jiangong Li (jli153)-*group leader*
Yuting Du (yutingd3)
Mengyuan Zhang (mz37)
Yue Wang (yue18)

Quiz statement:

- I understand that giving copies of any course material including any lecture notes, assignments, solutions in any form (spoken, written or digital) to anyone for example students or friends in future is in violation of course policy and could result in consequences to you and the person you shared material with.
- I have worked to the best of your ability on this assignment, attended all of the team meetings and did do your fair share towards the assignment.

Feedbacks to group work:

Yifan Sun: 10/10
I think you question is very comprehensive and complete. Love it!
Jiangong Li: 10/10
I really like your explanation during the meeting.
Mengyuan Zhang: 10/10
I like the way you included formula description in your solution
Yue Wang: 10/10
I really like your explanation during the meeting.
